Get into a Starcraft Super Lite and out into nature. The Starcraft Super Lite is light enough to tow with ease, but big enough to bring the whole family. The 2023 Super Lite features a PVC roofing membrane with a limited lifetime warranty and 30,000 BTU furnace. The residential vinyl flooring throughout, including flush floor slideouts, is strong enough to stand up to pets and kids alike, while the 6 gallon DSI water heater means hot water for everyone. The 17-inch oven with three-burner range is a great place to prepare meals for the whole crew.
