I am absolutely IN LOVE with this 2017 Ram ProMaster City Cargo Van! It looks amazing and drives even better! This van is currently set up as a delivery vehicle, however I am imagining a whole possibility of uses for this little taskmaster.

The van comes to you with a PERFECT Clean Carfax Report and 1-OWNER title history.

This Trademaster is PA State Inspected throughout ??/24. as well. This van was just completely serviced, inspected and gone through meticulously by our shop. It is 100% retail ready. It currently rides on a BRAND NEW set tires with 100% tread life remaining. The brakes and rotors are also brand new!!

With 140,000 on this van, it is LITERALLY at break in numbers for these small workhorses....

I've personally seen them with 280,000 miles plus on them and still running strong, ORIGINAL MOTOR AND TRANSMISSION!!!

Almost more exciting than all this is the amazing condition of the RUST-FREE body and undercarriage.... It clearly pays homage to this vehicles previous ownership history and make for ZERO issues for years to come. You can clearly see how beautiful the Oxford White factory paint is and how well it has been maintained. The non-smoker Black interior looks just as good and is equipped with factory Power window and locks package, including keyless remote entry (BOTH FACTORY KEYS/REMOTES) Air-Conditioning, AM/FM Stereo with Aux. input Jack, cargo lighting and so much more.
