Vehicle Description

AutoPark Dallas is thrilled to offer you this Classic Black 2003 Chevrolet Corvette Z06 for sale! Near the end of the C5 generation, this Z06 is backed behind redesign and major improvements from its older years. Thanks to the weight reduction in parts and powered by the LS6 Engine, this Z06 was on par if not better than the C4 ZR-1 counterpart. GM didn't hold back with making a powerful coupe and this Z06 we have here has been pushed beyond that power with some KOOKS Long Tube Headers and more! DO! NOT! HESITATE!!! To swing by and checks out this Corvette parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!
