## Vehicle Description

AutoPark Dallas is thrilled to offer you this LOW MILEAGE Small CAMMED 2002 CORVETTE Z06 for sale! Our Corvette over here at APD is in amazing condition for its age! Currently, in an unmodified state, this corvette is exactly how the engineers at GM designed it to be. Near the end of the C5 generation, this Z06 is backed behind the redesign and major improvements from its older years. Thanks to the weight reduction in parts and powered by the LS6 Engine, this Z06 was on par if not better than the C4 ZR-1 counterpart. GM didn't hold back with making a powerful coupe and this Z06 we have here has been pushed beyond that power with a small camshaft upgrade and more! DO! NOT! HESITATE!!! Come check out this beautiful Corvette parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

### Pre-purchase inspections are always welcomed!

We also offer airport pick-up, competitive financing options, free CarFax Reports, Car Shipping nationwide, Extended Warranty plans, and so much more!
