Vehicle Description

2005 Chevrolet Corvette, Low mileage, Super Nice!

The 2005 Corvette is the first year of the C6 generation Corvette. The C6 bumped the engine displacement from 5.7 litres to 6 litres. Along with the displacement increase, comes 50 more horsepower to 400 HP. This allows the Vette to scoot from 0-60mph in 4.3 seconds. This Vette is a world class sports car in every respect. World class suspension, steering and brakes earns the Corvettes respect as America's premier sports car.

Our featured Corvette is in excellent condition. The yellow exterior paint still showing a new car luster. The (smoke free) leather interior is in great shape as well. With only 51,000 miles (approx 2800) per year, this Vette runs great with all operating systems in good working order.

We can also assist with any of your shipping requirements. Please contact Jim @ 818-648-5223 with any additional questions.
