Embrace the pinnacle of rugged luxury and indomitable performance with the 2023 Land Rover Defender 90 SE, a masterpiece engineered for those who demand excellence without compromise. With a mere 6,100 miles on the odometer, this nearly-new Defender is primed to take you on countless adventures! The Defender 90 SE isn't just about what's under the hood or the luxury within; it's about the experiences it can offer.

This is a local, one owner, perfect CarFax, one owner Defender, that runs and drives perfect, and looks even better! I cannot emphasize how brand new it truly is, inside and out! Seriously, it is that new! Be careful when comparing to other Defender 90's. This one is highly optioned, and listed for almost \$82k new, and they have been charging way over sticker price for these, plus all of those stupid dealer fees, so this one is a steal at this price!

To be able to find a one owner, perfect CarFax, only 6k miles, with all these extras, this clean, this new, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
