Vockal built Chevrolet C/K trucks showcase a robust blend of timeless style and contemporary innovation. They start with America's most loved generation of GM trucks and blend them with a host of modern amenities that come standard - while also offering a la carte options to make your truck undeniably yours. Crafted upon GM-licensed chassis, Vockal trucks showcase the finest and most dependable modern drivetrains that Chevrolet has to offer, GM independent front suspension, 4-link rear suspension, precision-engineered Dakota Digital Gauges, and meticulously integrated modern wiring harnesses, among a variety of other standard features.
