## Vehicle Description

AutoPark Dallas is thrilled to offer you this SICK Solid Red 2015 Nissan GT-R Premium for sale! A long track history backs the beautiful Nissan GT-R as it was once under the ownership of Prince Motor Company, but was bought out by Nissan which gave the GT-R a boost into the limelight. Nissan made the GT-R their Exotic giving it over the years a more aggressive look and more horses under the hood. This GT-R is a beast of a different nature holding 545-hp stock, but with some simple modifications can make it easily burn more rubber and pass the competition with ease! DO! NOT! HESITATE!!! To swinging on by to check out why Nissan did it right with this GT-R parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!
