\* Good luck finding another one like this - these are nearly nonexistent Supercharged Autobiography Edition and people who own them tend not to sell these cars

\* Last year of 4.2L Supercharged V8 before it went to FORD 5.0 with all their timing chain issues and cooling problems

\* If you are looking at this ad you probably already know that the best 3 years of L322 body is 07-09 especially the 4.2L Supercharged V8 variant - these are known to be the most "reliable" out of them all - way better engine than the newer 5.0L V8 with all their timing chain problems and cooling issues

\* Just undergone a major service: Fresh oil / filter, trans fluid / filter, both diffs, transfer case, fresh alignment, cabin filter, air filters, drive belt,

\* Heated / cooled seats

\* Satellite radio

\* Parking sensors

\* Xenon / LED lights

\* 3 zone climate control

\* Very well maintained truck - lots and lots of service records

\* Very recent Toyo Open country AT tires mounted on original 20" Autobiography wheels in pristine condition
