This is the 2nd truck we have sold just like this unit here (sister trucks with consecutive VINs). It was custom built at Peterbilt of New York City. This rig is well equipped with its heavy spec's, gearing, HP, dump bed, drop axle, autotarp system and has been well cared for. We are located just 10 min from SLC airport and would love to help get this truck home to you. At asking price we will even include shipping within 500 miles of our shop.
