- Carfax certified

* Please note, an accident was reported to Carfax back in 2019 - third party inspections are welcome - please note, a driver's side radiator support extension was replaced by an insurance company - that panel is actually spot welded to the structure of the car and according to AAA repair guidelines considered to be structural / frame repair - everything is properly repaired from what we can see, but we are still have to disclose the fact it has a structural component repaired. Third party inspections are welcome and encouraged!

BY APPOINTMENT ONLY
