We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear, which may include, but not limited to, minor scratches, scuffs, chips and regular interior wear. Our dealership works very hard to accurately describe our vehicles through text descriptions and elaborate photos. It has normal wear, which may include a few scattered rock chips, light scuffs, and gentle interior wear, our policy is to disclose anything beyond that and we encourage pre-purchase inspections. Please look over the photos carefully as they are part of the description. Our sales staff in Missoula, Montana is available to assist in answering any specific cosmetic questions and will gladly walk around the vehicle to give you a more accurate description BEFORE a deposit is left.

There may/may not also have items listed as original factory equipment that are no longer with the vehicle we are currently selling. For example: 2 sets of keys, keyless entry remotes, owner's manual, factory floor mats, Navigation discs, first aid kits, factory tires/size/load rating, etc. Please refer to the photos we have taken or ask us your specific concern to be certain there is no confusion. We will not be responsible for any discrepancies between the Original Factory Equipment section and what is presented in the photos or description. At our dealership we work very hard to accurately describe our vehicles through text descriptions and elaborate photos. We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear, which may include, but not limited to, rock chips, scratches, scuffs, and minor interior wear, our policy is to disclose anything beyond that and we encourage pre-purchase inspections. When fresh inventory arrives, we do our best to inspect all power options, DVD systems, audio equipment, NAV systems, etc., however AAB will not be held liable or responsible for any of these items. We will check for and disclose paint work found on any vehicle, but keep in mind - this is an imperfect science. Please bear in mind that often truck owners may choose to alter factory emissions and/or exhaust to enhance performance or fuel economy. We often acquire trucks that have these performance enhancing equipment already installed. This equipment may alter original emissions equipment or void factory warranties. We do not test or alter this equipment. If this is a concern of yours, please exercise your right to have a pre-purchase inspection prior to leaving your deposit. Our sales staff is available to assist in answering any specific cosmetic questions and will gladly walk around a vehicle to give you a more accurate description. BEFORE a deposit is left. Ultimately, it is up to the potential buyer to do their due diligence. Montana Motor Mall does not want to hide anything and we encourage everyone to have a pre-buyer's inspection done before purchase.
