Vehicle Description

1979 MGB Limited Edition, A Classic British Roadster!

The 1979 MGB Limited Edition was offered for the final 2 years that the MGB was exported to the United States. It featured special rims, decals and a dash plaque. Our featured MGB has been restored to an excellent drivers condition. The paint, interior, and convertible top have been worked on to provide a roadster that is stunning in it's black exterior and tan interior.

The convertible top is also new along with the dash board. The engine and all mechanical systems have been gone through. As a result, the car runs great with all the gauges working properly.

****The indicated mileage can not be verified. ****

This classic british roadster is a joy to drive especially with the top down. It would make a great addition to anyone's garage!
