Beginning January 1, 2023, if you buy a qualified previously owned electric vehicle (EV) from a licensed dealer for \$25,000 or less, you may be eligible for a previously owned clean vehicle tax credit of 30% of the sale price up to \$4000 whichever is the lesser under Internal Revenue Code Section 25E.

Step into the future of driving with the sleek and eco-friendly 2016 FIAT 500e, a vehicle that proves that compact dimensions and electric efficiency can come with an abundance of style and personality. With a mere 28,373 miles on the odometer, this black beauty is just getting started on its journey to electrify your every drive.

The lustrous black exterior of this 2016 FIAT 500e is a statement of elegance and sophistication. Its chic design is not only eye-catching but also aerodynamically efficient, slicing through the air with ease to maximize your driving range. The 15-inch aluminum wheels add a touch of class, perfectly complementing the vehicle's dynamic contours and spirited stance.

Slip inside, and you'll be greeted by a premium black leatherette interior that exudes a sense of luxury and comfort. The meticulously crafted cabin is designed to be your personal oasis, offering a serene environment where every control is at your fingertips. The heated front seats provide a warm embrace on chilly mornings, ensuring you start your day in the utmost comfort.

At the heart of this urban chariot is an electric motor that generates an impressive 111 horsepower and 147 ft-lbs of torque. The instant acceleration is smooth and silent, delivering a driving experience that's as exhilarating as it is environmentally responsible. The 1-Speed Direct-

Drive Automatic transmission ensures seamless power delivery, allowing you to glide through traffic with the grace of an Italian ballerina.

The 2016 FIAT 500e is not just about good looks and clean energy; it's packed with manufacturer options and packages that cater to your every need. The intuitive navigation system ensures you're always on the right path, while the premium audio system immerses you in a symphony of sound, turning every journey into a private concert. Automatic climate control maintains the perfect cabin temperature, while the rear parking sensors make maneuvering in tight spots a breeze.

Safety is paramount in the FIAT 500e, and this model comes equipped with advanced features to protect you and your loved ones. The stability and traction control systems work tirelessly to keep you firmly planted on the road, while a suite of airbags stands ready to shield the cabin in the event of a collision.

This 2016 FIAT 500e represents more than just a car; it's a lifestyle choice. It's for the discerning driver who values innovation, efficiency, and Italian flair. It's for the environmentally conscious who refuse to compromise on style or driving pleasure. And with its low mileage, this FIAT 500e is an opportunity that's as rare as it is enticing.

Don't let this chance slip through your fingers. Embrace the electric revolution and make a statement on the roads with the 2016 FIAT 500e. Contact us today to schedule a test drive and experience the future of motoring. The open road awaits, and with the FIAT 500e, you'll be navigating it in style, comfort, and with a clear conscience. Your electrifying adventure starts now!
