Step into a world where classic muscle meets iconic style with this stunning 1984 Chevrolet Camaro Berlinetta. A striking orange exterior that exudes confidence meets its match with a staggered set of black Jegs Racing wheels. The skinnies up front reduce drag in the quarter mile and make the 275/60/15 Hoosier rear tires look even wider than they are. With a beefy 400 CID V8 engine under the hood, this Camaro doesn't just talk the talk; it walks the walk. The rumble of the engine is a symphony to the ears of any true car enthusiast. The powerplant is paired with a smooth 3 speed automatic transmission that ensures this classic beauty is as enjoyable cruising down the boulevard as it is turning heads at car shows. Due to the amount of customization, there isn't much of the Berlinetta moniker left to see. The biggest indicator is the digital display in the dash as every other trim level came with analog gauges. 1984 Camaro was someone's hot rod as they added a bigger engine, cowl induction hood, racing seats, a performance shifter, tangerine paintjob and shaved door handles. Cruise to the next car show in style and take home a trophy so tall that you have to remove the T-Tops to take it home. Financing is easy and trades are welcome, so call or click today! This Camaro is waiting for you. Are you ready to take the wheel and start your adventure?
