Economy:	City 29 / Highway 39

Our versatile 2022 Nissan Sentra SV Sedan brings together technology, efficiency, and a daring Gun Metallic design! Motivated by a 2.0 Liter 4 Cylinder that generates 149hp connected to an Xtronic CVT for easy travels. This Front Wheel Drive sedan also moves on down the road with athletic maneuverability, and it returns nearly 39mpg on the highway. A compact head-turner, our Sentra has dynamic good looks, a bold V-Motion grille, heated power mirrors, and 16-inch alloy wheels.

The roomy dimensions and sophisticated style of our SV cabin are just some of the interior's compelling benefits. Other rewarding details include premium-cloth seats, a leather-wrapped steering wheel, filtered air conditioning, Intelligent Key, and pushbutton ignition. As for digital convenience, that comes into view with a 7-inch Advanced Drive-Assist Display, an 8-inch touchscreen, voice recognition, Android Auto, Apple CarPlay, Bluetooth, and a six-speaker audio system. There's plenty of space in the trunk, too!

Nissan knows intelligent safety is vital for today's drivers, so it supplies front/rear automatic braking, a blind-spot monitor, lane-departure warning, forward collision warning, a drowsy driver alert, a rear-seat reminder, adaptive cruise control, a rearview camera, and more. Our Sentra SV sets a high bar with features like these! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
