THE FOLLOWING IS WRITTEN BY AI

- Rare find: 1995 Chevrolet Astro Van with only 135,789 miles
- Enhanced with METHOD rims and new all-terrain tires for superior traction and style
- Modern upgrades including a backup camera and hands-free Bluetooth for safety and convenience
- Lifted stance for an aggressive look and improved ground clearance
- Well-maintained with no accidents reported and a variety of manufacturer options such as leather steering wheel trim and cruise control

Discover the perfect blend of classic design and modern functionality with this 1995 Chevrolet Astro Van, a true gem with a mere 135,789 miles on the odometer. The robust 4.3L V6 engine, delivering 190hp and 260ft. lbs. of torque, is paired with a smooth 4-Speed Automatic transmission, offering a driving experience that's both powerful and reliable.

This Astro Van stands out with its eye-catching brown exterior, perfectly complemented by stylish METHOD rims wrapped in new all-terrain tires. These tires not only enhance the van's appearance but also ensure superior traction and durability for all your adventures, whether in the city or taking the path less traveled.

Safety and convenience are paramount in this vehicle, which features a backup camera to make reversing and parking a breeze, and hands-free Bluetooth connectivity, allowing you to stay connected while keeping your eyes on the road and hands on the wheel.

The lifted stance of this van is not just about looks; it increases ground clearance, making it ideal for those who crave the occasional off-road escapade or simply want to make a statement on the streets. The lift kit also contributes to a more commanding view of the road, giving you confidence as you navigate through traffic.

Inside, the van's cabin is equipped with a host of manufacturer options and packages that are sure to impress. The leather steering wheel trim and cruise control offer a touch of luxury and ease for those long drives. Comfort is a priority with bucket front seats, power door locks, front air conditioning, power windows, and the convenience of keyless entry. The third seat ensures ample space for passengers or extra cargo, making this van versatile for all your needs.

The vehicle's commitment to safety is evident with features like ABS 4-wheel, power brakes, and side mirror adjustments. Privacy and comfort are enhanced with rear privacy glass and tinted windows, providing a cool and secluded environment for you and your passengers.

This Astro Van comes with the peace of mind of no accidents or damage reported, as per CARFAX, and has been in the care of 3+ owners who have upheld its condition and performance. An AUL CORP warranty further assures you of its quality and reliability.

Don't miss the chance to own this distinctive and well-equipped 1995 Chevrolet Astro Van. It's ready to take on new journeys with its next owner, combining classic charm with contemporary enhancements for a truly unique driving experience. Contact us today to schedule a test

drive and get ready to hit the road in style and confidence!
