This is one of the nicest and well-maintained JK's we have had the pleasure to have. This vehicle is exceptional in mechanical and cosmetic aspects. As far as we can tell, there has been no paint or bodywork done on this Jeep. We have both keyfobs, all of the owners manuals even a copy of the original window sticker. This is a ONE OWNER Jeep. It show to have been born in California then came running to Texas in 2019.
