Introducing the formidable powerhouse of towing and recovery, the 2007 International 4000 SERIES 4300 Wrecker Tow Truck, a true champion on the road with an impressive pedigree that promises reliability and unmatched performance. With a mere 99,097 miles on the odometer, this tow truck stands as a testament to endurance and durability, ready to take on the demands of any towing task with ease and confidence.

Dressed to impress in a sleek black exterior, this International 4300 commands authority and respect wherever it rolls. The color isn't just about aesthetics; it's a symbol of the power and strength that this vehicle embodies. The sturdy body lines and well-maintained finish reflect the care and attention this truck has received throughout its life, ensuring that it's not just a workhorse, but also a head-turner on the streets.

Step inside to the practical and resilient gray vinyl interior, designed to withstand the rigors of daily use while providing a comfortable cabin for its operators. The interior is not just functional; it's a driver-centric environment that prioritizes control and ease of use, allowing you to work long hours without discomfort. The vinyl seats are not only durable but also easy to clean, making maintenance a breeze after a hard day's work.

At the heart of this towing titan lies the robust International DT 7.6L I6 engine, delivering a mighty 215-300 horsepower and a colossal 560-860 ft. lbs. of torque. This engine is not just about raw power; it's about smart power. The DT is renowned for its fuel efficiency and reliability, ensuring that you can tackle the heaviest loads without the worry of frequent stops or unexpected downtime.

Paired with a seamless automatic transmission, this International 4300 ensures that all that power is delivered smoothly and efficiently to the wheels, providing you with an effortless driving experience. Whether navigating through city traffic or cruising on the highway, this transmission is tuned to respond to your every command, giving you the confidence to maneuver with precision and ease.

This tow truck comes equipped with manufacturer options and packages that enhance its capability and functionality.
