We just picked up this clean Western Star and it is in excellent condition. Originally owned in Canada, it shows 70,876 KM on the dash, loaded with tons of comfort options and 560 HP this truck can do it all. With 15 ft of frame space it could also make a sweet dump truck, roll off or hook lift. We are located just 10 mins from the airport. We can pick you up, do a DOT inspection on this truck and even ship it to you.
