Step aboard this 2006 Ford E450 Glaval 21 Passenger W/Wheelchair lift Shuttle Bus 158" DRW and experience the perfect blend of comfort, reliability, and power. With just 100,373 miles on the odometer, this pristine white chariot has been meticulously maintained and is ready to take you, your guests, or your customers on countless more journeys.

At the heart of this robust people mover is the legendary 6.8L Triton V-10 engine. Known for its durability and strength, this powerhouse delivers smooth, responsive performance, ensuring that even when fully loaded, your travels will be effortless and efficient. Coupled with its automatic transmission, you can expect a driving experience that is both comfortable and commanding.

The exterior of this bus radiates professionalism with its sleek white finish. It's more than just a mode of transportation; it's a statement of reliability and class. The color not only adds to the aesthetic appeal but also offers a canvas for your business logo or custom graphics, should you choose to personalize it.

Step inside, and you'll discover a cabin designed with the comfort of your passengers in mind. The layout is spacious, inviting, and perfect for a variety of uses, from shuttling hotel guests to transporting sports teams or facilitating group tours. The seating arrangement is thoughtfully designed to maximize space and provide ample legroom, ensuring a pleasant ride for all.

Safety is paramount when it comes to passenger transport, and this Ford E450 Glaval Bus doesn't disappoint. Its sturdy construction and reliable engineering mean peace of mind for both driver and passengers alike. You can trust that you're in good hands with a vehicle that's built to protect.

Let's talk about convenience – this bus is equipped with features that make it a breeze to operate. The automatic transmission takes the hassle out of driving, allowing you to focus on the road and your

hassle out of driving, allowing you to focus on the road and your passengers. Maneuvering through city streets or cruising down the highway is as easy as it gets, making it the ideal choice for drivers of all skill levels.

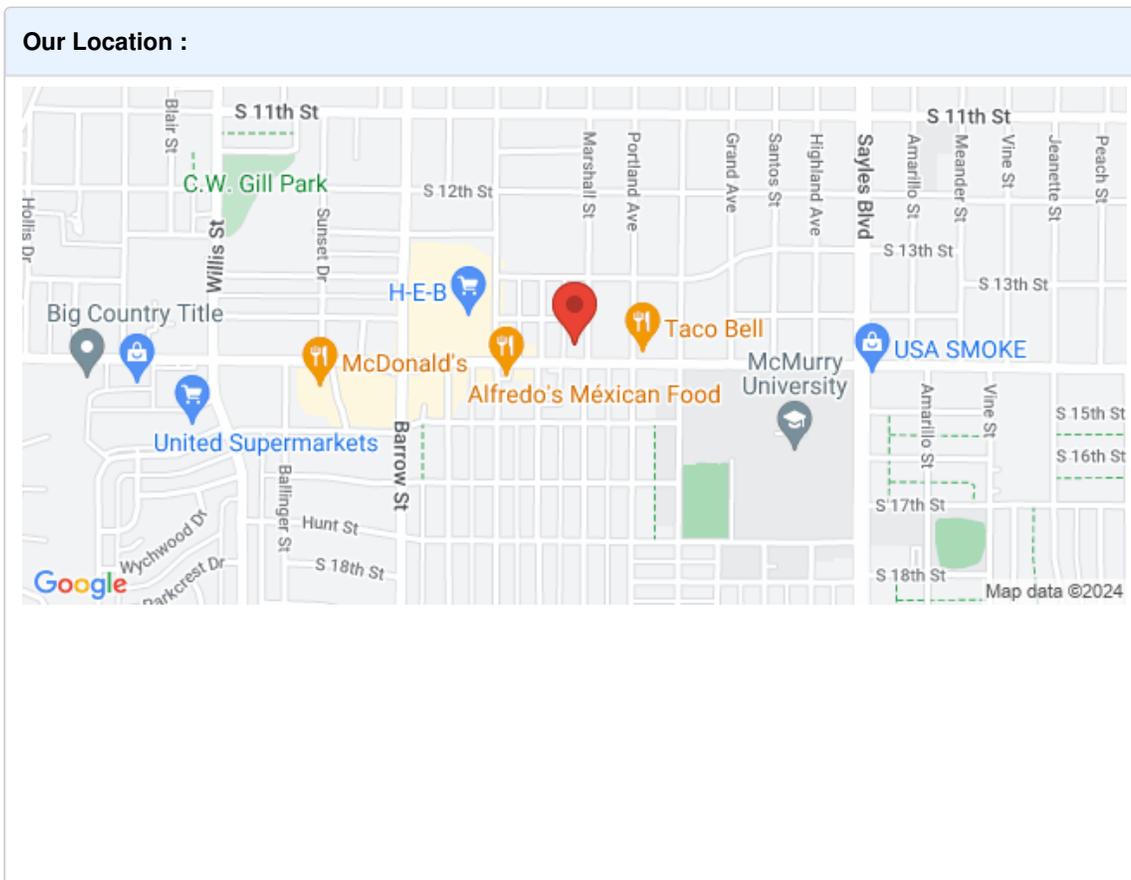

When it comes to versatility, this bus shines. Whether you're running a shuttle service, operating a tour company, or need to transport your community group, this vehicle is up to the task. Its spacious interior can be customized to suit your specific needs, making it a truly flexible solution for any transportation challenge.

In summary, this 2006 Ford E450 Glaval 21 Passenger Shuttle Bus is more than just a vehicle; it's an investment in your business, your community, or your organization. With its powerful Triton V-10 engine, comfortable and spacious interior, and impeccable maintenance record, it promises to be a reliable and valuable addition to your fleet.

Don't miss the opportunity to own this exemplary mode of transport. Its combination of performance, comfort, and versatility makes it an exceptional choice for anyone in the market for a high-capacity vehicle. Contact us today to schedule a viewing and see for yourself why this Ford E450 Glaval Bus is the perfect solution for your transportation needs. Your passengers are waiting – are you ready to deliver an unparalleled travel experience?
