Prepare to take your business to the next level with the robust and reliable 2013 Isuzu NPR HD Diesel, featuring a 16ft Box Van with a Rear Power Lift Gate that's ready to tackle all your transportation needs.

This workhorse has been meticulously maintained and is poised to deliver performance, efficiency, and reliability. Dressed in a classic white exterior, this Isuzu NPR HD projects a professional image that's perfect for your company's branding. The truck's clean and crisp appearance makes it a mobile billboard that's sure to catch the eye of potential customers as you go about your deliveries.

Step inside to the functional gray interior, where you'll find a driver-focused cabin designed for comfort during those long hauls. This vehicle comes with a 16ft Box Van that offers ample space for all your cargo needs.

The real game-changer, however, is the Rear Power Lift Gate. This invaluable feature allows for effortless loading and unloading, saving you time and labor costs. It's a back-saving amenity that your employees will thank you for, reducing the risk of injury and making it possible to handle heavier loads with ease. Imagine the efficiency and productivity gains your business will experience with this 2013 Isuzu NPR HD Diesel. It's not just a truck; it's a dependable partner that's ready to contribute to your company's success from day one.

This is a local, 2-owner, perfect CarFax truck, that runs and drives great! It has a great service and maintenance history, the turbo charger was replaced on this engine about 6 months ago, and this would be considered really low mileage for a Diesel of this year model. It is sitting on a great set of tires, and it is completely ready to go!

To be able to find a truck like this one, with the power rear lift gate, this great history, good tires, ready to go, this nice, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
