This truck is super smooth and fun to drive. With the automatic transmission, windows and bluetooth radio it almost feels like a car. Lots of pep in her step with a strong Jake Brake. This is 3 of 4 sister trucks that we have- they have consecutive vins and are spec'd the same. These trucks were governed at only 65 MPH and have been babied. Could be converted to a 15-16 ft dump truck . Give us a call to learn more. We are located 10 min from SLC airport and we love to help get this unit home to you.
