Unleash the pinnacle of power and prestige with the 2022 GMC Sierra 2500HD AT4 Crew Cab 4WD, a masterpiece of engineering excellence designed to conquer the untamed road. Imagine the envious glances as you roll by, the sense of pride as you step out of this black beauty, and the feeling of satisfaction knowing you've chosen a vehicle that's at the apex of its class. The 2022 GMC Sierra 2500HD AT4 Crew Cab 4WD Duramax Diesel isn't just a truck; it's a statement—a declaration of your uncompromising standards and bold aspirations.

This is a local, one owner, perfect CarFax, non-smokers AT4, that runs and drives perfect, and looks even better! I cannot emphasize how nice this one owner truly is. Seriously, it is that nice!

This truck was bought new by my son. He is the Director of our Ambulance company here. This truck has basically been used as a car, not a truck. It hasn't been off road. He just needed a truck to haul all of his equipment. He just put a brand new set of tires on here about 2 weeks ago, and it has lots of factory warranty remaining, and is completely ready to go! When he bought this truck new, he had the entire truck ceramic coated, and with the new tires and all the extra custom stuff. He probably has over \$15,000.00 in extras, over the \$82,080.00 he paid for it. I have all the books and manuals that came with it new, the original window sticker, and both remotes! Trucks like this one are really hard to find, especially a one owner, with a perfect CarFax, new tires, with over \$15k in custom extras, this nice, this clean, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
