EXCELLENT SERVICE HISTORY!

This is a very nice and well-maintained F250. This vehicle is exceptional in mechanical and cosmetic aspects. We have one keyfob, all of the owners manuals, even a copy of the original window sticker. This is a 2-Owner vehicle with a CLEAN CARFAX. The 1st owner lived in New Mexico. The second owner purchased the truck in February 2016 when it had only 66k miles; they lived here locally in the Dallas area. We just had the truck serviced, the Michelin Tires are super thick, this baby is ready to roll.
