This Ampliroll Hook Lift system was just installed and it comes with an industry leading warranty. The truck was used by a large fleet and was super well maintained. The hook lift system will service containers 15-24 ft in length with an optimal size of 22' long as shown in the pictures. We have extensive knowledge about the waste hauling industry and can help build your next ruck too. Give us a call to learn more about this truck and what else we can do. We are located 10 min from SLC airport and would love to help get this truck home to you.
