ONE FAMILY OWNED FROM NEW

ARIZONA CAR

Cold Factory Air Conditioning

1965 Chrysler 300 hardtop, one family owned, unrestored Arizona car. Factory air conditioning power steering power brakes AC blows cold, Rebuilt 383 V8, 727 torque flight transmission, new brakes, new exhaust, how a brake booster, master cylinder, fully serviced runs and drives outstanding.

and drives outstanding, approximately 2,200 miles on since the rebuild.

This is a one family-owned automobile it was a daily driver till about the late 90s, at that point car had a bunch of miles on it motor was tired it got put away in the barn located down in Douglas Arizona which is a Border Town all the way the southernmost spot of Arizona. Clean dry rust free car and it shows all original body panels never hit original chrome and trim mechanically restored interior has been redone car could be driven anywhere. Every light switch button works like new including the original AM radio and the factory air conditioning blows cold! Great car I would have no hesitation getting in this car and driving it cross country tomorrow. Flying drive home without any reservations call for any information 623-764-5897
