This is a one owner, perfect CarFax, super nice *McCoy Miller Ambulance*, that runs and drives great, and looks even better! I cannot emphasize how nice this Ambulance truly is! I bought it from the original owner. There is absolutely nothing wrong with it! They just updated their fleet with a new one, and I bought this one. If you take a look at the CarFax provided, it shows it has a great service and maintenance history. They put a "Jasper" remanufactured engine in this ambulance about 22,000 miles ago, so it should have lots of life left in it, everything works, air blows cold, and it is sitting on a great set of Michelin tires!

To be able to find a one owner ambulance, with

a perfect CarFax, this great history, new motor, Michelin tires, this nice, this clean, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
