When fresh inventory arrives, we do our best to inspect all power options, DVD systems, audio equipment, NAV systems, etc., however AAB will not be held liable or responsible for any of these items.

We will check for and disclose paint work found on any vehicle, but keep in mind - this is an imperfect science. Please bear in mind that often truck owners may choose to alter factory emissions and/or exhaust to enhance performance or fuel economy. We often do acquire trucks that have these performance enhancing equipment already installed. This equipment may alter original emissions equipment or void factory warranties. We do not test or alter this equipment. If this is a concern of yours, please exercise your right to have a pre-purchase inspection prior to leaving your deposit.

Our sales staff is available to assist in answering any specific cosmetic questions and will gladly walk around a vehicle to give you a more accurate description.

BEFORE a deposit is left. Ultimately, it is up to the potential buyer to do their due diligence.

Montana Motor Mall does not want to hide anything and we encourage everyone to have a pre-buyer's inspection done before purchase.
