AutoPark Dallas is thrilled to offer you this RARE 1 out of 240 - 2023 Nissan Z Proto Spec for sale! Finally, after 2 whole decades, Nissan has finally reimaged the 350z / 370z to the next level by doing the new Generation Z right. A whole new outside design that holds the Z style true, jam packed with the most safety features / technology that any of the Z generations has ever seen, but best of all digging into the past to dig up the Twin-Turbo V6 that hadn't been seen since the 300ZX! Like a clash of new and old, this generation of Nissan Z is a definite contender to the sport coupe market and has a **BRIGHT** future ahead of itself. A cool factor to our Z we have here at APD, which is literally in the title, the "Proto Spec"; a limited production / introduction to the consumer market that Nissan only made 240 examples of. The Proto Spec are all fully loaded, all in **Ikazuchi Yellow Pearl TriCoat** / Super Black, but not all with the new 9-Speed Automatic Transmission that this Z has! DO! NOT! HESITATE!!! To come check out what Nissan is cooking with this Z Proto Spec parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst out inventory of 100+ other Unique / Modified and Luxury vehicles!
