1992 Limited Edition AM General Hummer H1 This is the one that started it all. Before there were even Hummer dealers you could order one of these straight from AM General Originally only built for military use the M998 HMMWV was redesigned for civilian use after much prodding by Arnold Schwarzenegger, and in 1992 the Civilian Hummer H1 was released Only 316 were built in 1992 and the vast majority were tan. A few that were offer through the Nieman Marcus Holiday Catalog were painted Matte Red This particular H1 is #273 and features later model production changes that included Extended transfercase shift lever. Extended CTIS lever. B" Beam modification and reclining seats. Updated ball joints, pitman arm, idler arm and center link. Updated A/C compressor Brackets and Alternator mounting nuts. Dual groove Alternator pulley and dual belts. These later production model H1s were the ones to have With only 32 k miles this H1 is ready to serve the next owner well
