Hey there, car enthusiasts! Let's dive into the details of this 2012 Toyota Camry – a trusty companion that strikes a balance between efficiency and performance. Under the hood, you'll find a fuel-efficient 2.5L four-cylinder engine. It's not just about power; it's about stretching those miles without breaking the bank. On top of that, you'll find upgraded drilled brake rotors, which deliver far more stopping power than factory. Those newer style wheels add a touch of modern flair, making this Camry stand out in the crowd. The immaculate headlights tell a story of meticulous care. No foggy lenses or battle scars here – just crystal-clear illumination. The odometer reads 178,000 kilometers, which translates to roughly 110,000 miles. This Camry has lived a life, and it wears it well. Slide into the driver's seat, and you'll find steering wheel-mounted audio controls – because changing tracks should be as easy as a Sunday drive. So there you have it – a 2012 Toyota Camry that's practical, reliable, and ready for your next adventure. Call or stop by and see this gas saver. As always, trades are welcome, and financing is available!
