RUNS GREAT!

This is an Awesome Truck! Yes it has a wrap on it. It is easily removed and/or modified if wanted. The truck is white underneath.

This is one of the nicest and well-maintained (and coolest) heavy truck we have had the pleasure to have. This vehicle is exceptional in mechanical and cosmetic aspects. As far as we can tell, there has been no paint or bodywork done on this rig. We have both keys and all of the owners manuals. The tires are practically new! There really is nothing not to like.
