## Vehicle Description

Step back in time and seize the opportunity to own a piece of American muscle car history with this stunning 1968 Ford Mustang GT. A true jewel that has been meticulously cared for, this Mustang represents the pinnacle of classic design and modern performance. With a mere 200 miles on the odometer since its restoration, this pony car is primed and ready to gallop into your garage.

The exterior of this Mustang is swathed in a mesmerizing blue that captures the essence of the open road and the freedom of the 60s era. The paintwork is not just a color; it's a statement. It's the kind of blue that turns heads at stoplights and ignites conversations at car shows. It's the blue that other cars aspire to be. The car's stance, its lines, and its presence are all testaments to the timeless allure of the Mustang design, now enhanced by this eye-catching hue.

Slip inside, and you'll find a cabin that's just as inviting as the exterior. The interior is adorned with tan upholstery that exudes a classic charm and sophistication that is hard to find in today's cars. While the exact material remains a mystery, the quality and condition speak for themselves, offering a comfortable and stylish ride. The interior is a perfect complement to the exterior, creating a harmonious and luxurious environment that respects the car's heritage while offering a touch of modern comfort.

Under the hood lies the heart of this beast: a potent 302 engine that purrs with power and potential. This legendary powerplant is renowned for its reliability, its ability to deliver exhilarating performance, and its unmistakable muscle car rumble. Whether you're cruising down the boulevard or opening it up on a stretch of open highway, this engine is ready to show you what American muscle is all about.

The driving experience is further enhanced by the Tremac T-5 5-speed transmission,

which offers smooth and precise gear changes that will make you feel at one with the car. The T-5 is a perfect match for the 302, providing a modern touch that allows you to exploit the engine's full potential while offering the control and engagement that only a manual can provide.

This Mustang comes with a selection of manufacturer options and packages that enhance its appeal and driveability. While the specifics of these options are not listed, one can only imagine the care and thought that went into selecting these features to complement the Mustang's performance and aesthetics.

In summary, this 1968 Ford Mustang is a rare gem that combines the best of the past with touches of the present. It's a car that will not only take you on a journey through the miles but also through time. It's a vehicle for the true enthusiast, for someone who appreciates the roar of a V8, the allure of a classic design, and the thrill of driving a car with a soul.

Don't let this opportunity pass you by. Embrace the chance to be the proud owner of this blue beauty, a car that offers more than just transportation—it offers an experience, a piece of history, and an unbridled joy that only a 1968 Ford Mustang can provide.
