Few vehicles command the same kind of attention as our 2012 Toyota Tundra Double Cab 4X4 decked out here in Super White. The 5.7 Liter V8 power plant provides 381hp while tied to a smooth shifting 5 Speed Automatic transmission for impressive hauling power. The sound of this Four Wheel Drive team will get your blood pumping and provides you with nearly 18mpg on the open road with acceleration that would put some sport sedans to shame. Our Tundra Double Cab has toughness, strength, and style to spare. Chrome bumpers and 18-inch steel wheels highlight the strong exterior.

Inside our Tundra find power bucket seats, a power vertical-sliding rear window, and a sliding, reclining and a fold-flat rear seat that is appreciated in the massive cabin. An auto-dimming rearview mirror and rear camera parking distance sensors are thoughtful touches that help to make this a great work vehicle and equally great family car.

Our Toyota Tundra leads the pack in safety thanks to intelligently designed ABS, stability/traction control, trailer sway control, and numerous airbags. Experience the best of both worlds with this stylish workhorse. Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
