The 2019 Mercedes-Benz Sprinter 2500 High Roof Crew Cargo 170WB, a vehicle that seamlessly blends functionality with sophistication. This pristine white beauty is not just a mode of transportation; it's a statement of class and a testament to Mercedes-Benz's commitment to excellence. This Mercedes-Benz Sprinter is not just about space; it's about making a space that works for you. The high roof allows for easy movement within the cargo area, making loading and unloading a breeze. Whether you're delivering goods, transporting

gear, or customizing the interior to suit your unique needs, this van is designed to accommodate your every demand with ease and efficiency.

This is a local, one owner, perfect CarFax Sprinter, that runs and drives great! It was bought new at the local Mercedes dealership in Memphis, if you take a look at the CarFax, it will show they have done the majority of the maintenance, and that is huge in the long life of this sprinter! It is mostly highway miles on this van. It was used for last minute emergency medical device and equipment delivery. It is sitting on a great set of tires, and it is completely ready to go! If you will look at all the values offered for this Sprinter, you will realize how cheap it really is! CarFax says the retail value is \$25,080.00, and Black Book clean wholesale value is \$25,050.00, so it is way behind the value of both of these guides, and that is taking the mileage into consideration of the value!

To be able to find one of these really hard to find Sprinter 2500 High Roof LWB, especially a one owner, with a perfect CarFax, great set of tires, this nice, at this great price, is a steal, and keep in mind, this is an "out the door" price, nothing extra, no doc or dealer fees, nothing!
