This truck has a COMPLETE engine overhaul done in August 2023, the hook was installed 3/26/24. Truck has a very pretty factory paint job and if a startup matched their dumpster colors to this, it would look really awesome. We have extensive knowledge about the waste hauling industry and can help build your next ruck too. Give us a call to learn more about this truck and what else we can do. We are located 10 min from SLC airport and would love to help get this truck home to you.
