Our 2012 Honda Ridgeline RTL Crew Cab 4WD is displayed in handsome Polished Metal Metallic. Powered by a 3.5 Liter V6 that offers 250hp tethered to a 5 Speed Automatic transmission that supplies smooth shifts and easy passing. This Four Wheel Drive achieves nearly 21mpg on the road while pairing the luxury of a car with the benefits of a sure-footed truck for the ultimate versatility, making it a lovely traveling companion.

Awesomely spacious, the interior of the RTL can comfortably accommodate a party of 5. You'll look forward to heated leather seats when the weather is frightful, but you'll love the wide-open sunroof on those lazy summer days. Not to mention the convenience of a power-sliding rear window, a 60/40-split-folding rear seat with storage, a trip computer, and available satellite radio! Also, the 5 ft, dent-resistant cargo bed has a large lockable trunk located just underneath that can hold golf clubs or hunting gear and also has drains in the bottom, so it doubles as a cooler for tailgate parties! Outstanding!

Honda always delivers when it comes to safety with ABS, stability/traction control, and airbags. You've got to get behind the wheel of this Ridgeline RTL to feel the vibe! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
