AutoPark Dallas is thrilled to offer you this SICK Black on Black 2006 Dodge Viper SRT10 for sale! Few cars are as unmistakable in style, sound, and feel as a Viper - the raw essence of American muscle has lived on through the generations since it's inception, making it a hallmark in the muscle car category! The 3rd generation of Viper is certainly no exception, having been upgraded to a heart pounding 8.3L Naturally Aspirated V10, still retaining the 6-Speed Manual Transmission, and very limited driver aids to get in the way of the connection between car and driver. What happens when you take that already unbridled raw power and performance and dial it up a notch?! You've got a unique Viper that provides an unforgettable and unmatched vice needless to say, this Viper is surely not one to be missed. **DO! NOT! HESITATE!!!** To swing by and check out this Viper SRT10 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
