2022 Ram 2500 Tradesman 4x4

The 2022 Ram 2500 Tradesman 4x4 is a truck that combines formidable performance with a touch of class. The Cummins 6.7L Diesel Turbo I6 engine makes this truck a monster on the road and off, ready and willing to pull just about anything behind it.

This Ram 2500 doesn't just work hard; it looks good doing it. The Chrome Appearance Group adds a dash of shine, featuring 18 x 8-inch chrome-clad wheels, bright front and rear bumpers, and a chrome grille surround that demands attention wherever it goes. The Uconnect entertainment system in the impressive cabin is impressive in it's own right.

Not just a pretty face, this Ram 2500 is built tough with a 50 Gallon Fuel Tank to keep you going longer, an Anti-Spin Rear Differential for superior traction, and a Trailer Brake Controller to manage your haul with ease. The Class V trailer hitch is ready for your towing adventures, ensuring that whatever you need to move, this truck can handle it.

Heavy duty truck's are all incredible feats of engineering, but this Ram 2500 is still unique in it's ability. If you've ever driven a Ram before, you know what this truck is bringing to the table. For those who haven't before, you're in for quite a treat.
