2022 Ram ProMaster 3500

Behold the impressive efficiency and reliability of the 2022 Ram ProMaster 3500. This workhorse is itching to get back on the road and get stuff done. The potent Pentastar 3.6L V6 engine churns out an impressive 280 horsepower and 260 ft-lbs of torque, ensuring that no job is too big to handle. With lots of cargo space to spare, the ProMaster is ready to be outfitted for your special purpose.

The ProMaster 3500 is equipped with the Fleet Safety Group package. This suite includes cutting-edge features like adaptive cruise control with stop and go functionality, blind-spot monitoring with rear cross path detection, lane departure warning plus, and intelligent speed assist—all designed to keep you and your cargo secure on every journey.

Stay connected and entertained with the onboard Wi-Fi hotspot, allowing you and your passengers to access the internet on the go. Smartphone integration via Android Auto and Bluetooth connectivity means your favorite apps and music are always at your fingertips, while the voice-operated hands-free phone system allows you to stay connected with clients and team members safely while driving.

The driver attention alert system, pre-collision warning system with an audible alert, traffic sign recognition, and wireless data link further enhance your driving experience, keeping you informed and focused on the road ahead.

Don't miss the opportunity to own this versatile and technologically advanced workhorse. The ProMaster 3500 is here to elevate your workday efficiency and ensure that you deliver on time, every time. Come experience this blend of power, safety, and technology today and drive away with the perfect tool for success.
