Big Bang for the Buck!

This is one of the nicest and well-maintained higher mileage Yukons we have had the pleasure to have. This vehicle is exceptional in mechanical and cosmetic aspects. We have both master keyfobs and all of the owners manuals. This is a two-owner vehicle. The second owner purchased it in 7/2017 when it had only 16k miles. The Yukon has been regularly maintained by the GMC Dealer. Plain & Simple this is a Nice Truck!
