We completed an inspection on this RV and the following shows the results of our findings:

innings.

Text 864 245 0730.

The engine does not run, it seems as though low compression on 1 or 2 cylinders. It will not even run on starting fluid, we tried.

There are 2 roof top AC units, the front AC works and the rear does not.

The water system should work, it was winterized at the auction.

It has old code tires.

The microwave turns on, although we did not cook anything in it.

The fridge works.

The LP system, water heater, furnace and stove top try to function but the LP tank is

but the LP tank is empty.

A few of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

The carpet really needs to be replaced.

The diesel generator, we did not try to start it.

The batteries are old.

We do not normally check the TVs, radio or the electronics.

We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description, then I did NOT check it

we did NOT check it,
it is missing or similar.
