Ready To Roll

Geeze. Super nice rig here. Ready to get back to work. This truck came straight from the Mechanic after getting a \$39K overhaul completed. Also in the last year: new turbo, new batteries, new starter, new front diff, transmission service and new 5th wheel plate. We have documents and lenders to help; make this truck yours. We are located 10 mins from SLC. We can pick you up or help get this delivered to your location.
