Dive into the world of comfort, style, and advanced technology with the 2020 Nissan Altima 2.5 SV. This striking blue sedan is not just a feast for the eyes; it's a sanctuary on wheels with a mere 21,500 miles on the odometer, promising a ride that's as close to new as you can get without the new car price tag.

Slide into the spacious cabin and you'll be greeted by plush gray cloth seats that offer the perfect balance of comfort and support. The interior is designed with the driver in mind, from the intuitive layout to the soft-touch materials that elevate your driving experience.

Under the hood lies the heart of this beauty: a robust 2.5L I4 engine delivering a smooth 182 horsepower and 178 ft. lbs. of torque, paired with a seamless automatic transmission that makes every drive a pleasure. Whether you're cruising through city streets or powering down the highway, the Altima's performance is both responsive and efficient.

Safety is paramount in the 2020 Altima 2.5 SV, and it comes loaded with cutting-edge features to keep you and your passengers secure. The vehicle alarm impact sensor stands guard against theft, while the

automatic emergency braking system is your vigilant co-pilot, ready to intervene in critical situations. Lane keeping assist and a pre-collision warning system with an audible alert work tirelessly to prevent accidents before they happen.

But that's just the beginning. Adaptive cruise control and a semi-automatic stop and go function take the stress out of long drives and heavy traffic. You'll also appreciate the added peace of mind from the blind spot safety sensors and rear cross traffic alert, ensuring you're aware of your surroundings at all times.

Let's not forget the modern conveniences that make every journey more enjoyable. Smartphone integration via Android Auto keeps you connected to your favorite apps and music, while the heated steering wheel adds a touch of luxury on those chilly mornings. The driver attention alert system is like having a personal co-driver, ensuring you remain focused on the road.

The attention to detail extends to the exterior as well, with sleek aluminum alloy wheels that not only enhance the vehicle's aesthetics but also contribute to a smooth and stable ride. And with the thoughtful check rear seat reminder, you'll never forget your important cargo.

This 2020 Nissan Altima 2.5 SV is more than just a car; it's a statement.
