LIMITED EDITION!

This is one of the nicest and well-maintained Ultra Marine H2's we have had the pleasure to have. This vehicle is exceptional in mechanical and cosmetic aspects. As far as we can tell, there has been no paint or bodywork done on this car. We have both keys; including both keyfobs, all of the owners manuals, even the air compressor accessory kit (looks like it has never been opened). This is a two-owner vehicle with no accident history. The second owner purchased the truck in 12/2012 when it had only 51k miles. The tires are almost new. Everything Works. I know the new owner will absolutely love this Hummer H2.
