TEXAS TRUCK!

If you want to own a PIECE OF HISTORY, here it is. The 2009 was the last year of the H2!

This is one of the nicest and well-maintained Hummers we have had the pleasure to have. This vehicle is exceptional in mechanical and cosmetic aspects. As far as we can tell, there has been no paint or bodywork done on this truck. We have both keys; including both keyfobs, all of the owners manuals, even the keys to the tonneau cover. This baby has a CLEAN CARFAX! Shows to have spent its entire life here in Texas.

This is a greatly example of someone taking care of their vehicle. This SUT was driven yes; but has always been babied. It was woman owned. She bought it in 2014 with 40k miles. She always had it serviced at the Chevrolet Dealership. The tires are thick. The wheels are clean. Everything Works. What else could you ask for...
