Original black plate survivor quality GT! Purchased new by a school teacher in Fresno, Ca from Valley Ford. All original springtime yellow paint on the exterior with mostly original palomino luxury interior (drivers bottom has replacement vinyl). The exterior paint has some chipping as expected after almost 60 years. The trunk has had some paint touchup. Factory A-code 289 4bbl engine with automatic transmission. Power steering. Working factory air conditioning. NOS correct for 1965 styled steel wheels from Bob Perkins with dual redline radial tires. Waldron dual exhaust. Am radio now has modern internals with FM and Bluetooth. The undercarriage was just dry-ice blasted to remove dirt and residue and reveal the original red oxide primer and factory overspray. 56k miles is believed to be correct but we have no documentation. Runs and drives great. Clean California title.
