2019 Ram 3500 Laramie 4x4

Bold, brawny and built to last, the 2019 Ram 3500 Laramie 4x4 is everything you want from your heavy-duty pickup, and more. Equipped with a Cummins 6.7L Diesel Turbo I6 engine, the Ram is a titan on the road and off, pulling basically whatever you can imagine. With the Laramie trim package though, all that power comes with serious luxury.

Step inside to a sanctuary of black leather, where you can sink into the leather-trimmed bucket seats that are not just heated but are also power-adjustable to cradle you in comfort on every journey. The Uconnect system with its 12 inch display is the most elite infotainment system out there, making your driver seat feel a captain's chair.

Chrome bumpers and assist steps gleam in the sun, while the all-terrain tires get you through the most difficult of off-road paths. The Protection Group's transfer case skid plate shields your vehicle's vital components, and the Center High Mount Stop Lamp with Camera provides an enhanced view for safer maneuvering. Looking through that camera will show you your spray-in bedliner, the key to keeping your bed safe and sound.

Don't miss your chance to own the road with this incredible machine.
