Super clean 2015 H-D FXDBP that we purchased from the original owner. Local bike that sold here in town. Always garage kept and never abused.

This bike is much more than a normal FXDB Street Bob. From the factory this was built with chrome engine covers, forward controls, and drag bars. Really a neat bike that they do not make any longer. Great chance to pick up an almost new Dyna.

We buy motorcycles and unique vehicles of all years, makes and models. If you have a motorcycle, muscle car, Corvette, antique/collector car or truck, etc, we would love to hear about it. Our process is quick, clean, and with no headache. All paperwork is handled on the spot and pickup is always available.

You can always give us a call at 610-539-6973 or jump onto our website and fill out a quick form. <http://www.east-11.com/sell>
